**Partners in Association Management
Makes Top 100 Best Companies List**

Tallahassee, FL – Partners has participated in the Best Companies to Work For In Florida program for the past several years. This year they were again included in the 2016 list of The Best Companies to Work for In Florida.

The *Best Companies To Work For In Florida* program was created by *Florida Trend* and Best Companies Group and is endorsed by the HR Florida State Council. The annual Best Companies list is featured in the August issue of *Florida Trend* magazine. One-hundred companies are ranked in small, medium and large employer categories.

“Partners is very pleased to be recognized as a multi-year winner. Our team of talented professionals drive our culture, so we thank them for their commitment to a passionate work environment,” says CEO of the company Bennett Napier, CAE.

Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

"Top companies provide excellent pay, health insurance, 401k plans, and other "hard" benefits, but they also offer the leadership and communications that encourage employees to participate in the organization's overall success," says Florida Trend Publisher Andy Corty.
